GAIN THE KNOWLEDGE OF YHWH & YHSH IN THE BIBLE

The Holy Scriptures is a book of instruction to guide us in this life. It will help us to understand our purpose on this earth and also help us reach the goals of our purpose. **Jeremiah 10:23. Proverbs 20:24.**

The Holy Scriptures are referred to as the Holy Bible, or the Word of God. Reading the Holy Scriptures is not complicated, but it can be hard to understand; it is a matter of reading it just like one would read any other book. **Acts 17:11** People read books for various reasons, and there are many books made all over the world; but the Holy Scriptures is a book unlike any other book. Not only is it the most published book in the world, but it is also a book that can lead you to having eternal life in a utopia world. **Ecclesiastes 12:12-13 John 17:3**

THE BOOKS OF THE HOLY SCRIPTURES

The Holy Scriptures contains books from Genesis to Revelation; a total of 66 books. Genesis through to Malachi are known as the Old Covenant in which YHWH had dealings with the Israelite people, from the creation to the directing of his people through his prophets. The books from Matthew to Revelation are known as the New Covenant, which tell the story of YHSH Messiah from His birth, His ministry to His death and resurrection. There are also stories of the journeys of his disciples and apostles. The Holy Scriptures was written by men inspired by YHWH long ago; it is YHWH's way of teaching us and it is still beneficial for us today.

2 Timothy 3:16. Psalms 1:2 Isaiah 48:17

When reading the Holy Scriptures, we see that YHWH is the Sovereign Ruler in the whole of the universe and His Son YHSH Messiah is second to that rule. The Scriptures are therefore His words written so that we will not forget what is required of us. The Scriptures are also written as proof of YHWH's Word. **Psalms 11:4. 1 Corinthians 15:28**

The Holy Scriptures can be called the Word or the Law of YHWH. It contains good principles with which we can learn from; we can also learn from events and examples of the stories in the bible. We can see in the Scriptures a good outcome to all those who relied upon YHWH and a sad outcome to those who leaned upon their own understanding. We will benefit from embracing good examples. **Psalms 73:28 Ezekiel 33:11 1 Corinthians 10:5-11**

RELYING ON THE HOLY SCRIPTURES

The Bible has been around for centuries and is still relied upon in many situations of life. On one hand the bible is being used as an excuse for the purpose of corruption and evil.

Roman 1:18-23; and on the other hand, the bible is being used for edification, gaining knowledge of YHWH and YHSH and for guidance in life. **John 17:3 Psalms 48:14** The bible tells us about a better future and guides us to that future. **Revelation 7:17** It will also reveal to us the truth concerning the reality belonging to YHWH and his Son YHSH. The sermon on the Mount, spoken by YHSH Messiah, helps us to understand our spiritual journey to the Kingdom of God. **Matthew Chapter 6 - Chapter 7**

We can be assured that when reading the bible with true purpose concerning the things pertaining to God, we will have witness borne to us about the truth. **Romans 8:15-16**

THE HOLY SCRIPTURES HOLDS PROPHECIES

Prophecies not only foretell what is to come in the near or distant future, but it also highlights the reliability of the many books in the bible. It is not according to man's will that prophecies are brought about. **2 Peter 1:21** There are numerous places in the scriptures where prophecies are written and have come to pass and some that have yet to be fulfilled. **Isaiah 9:6; 53:7** gives reference to Messiah's birth and death. There are also prophecies being fulfilled to this day. **Matthew 24:14** When we calculate all the prophecies that were fulfilled and are being fulfilled, it brings us to one conclusion; that all other prophecies in the Scriptures that have not yet come to pass will indeed be fulfilled in due time. **Revelation 20:3 Isaiah 65:17 Revelation 3:5**
